DISCOVER WHAT YOU LOVE THIS SUMMER!

SUMMER AT THE Y 2014

MORE VARIETY, MORE FUN, MORE VALUE AND STILL AFFORDABLE!

Welcome to Summer Fun

At the Y, you can have your pick of all the best summer opportunities under one roof! We have endless options to suit all types: the outdoorsy type, the air-conditioning type, the nature-lover type, the sporty type, the traveler type, the science type, the "I want to get away from home!" type, and everyone in between! Plus campers can benefit from our Y Fit-n-Fun program which gives youth fun new ways to stay active, eat healthy, and more!

Originators of Purposeful Play

The Y is the leader in summer fun because we literally invented summer camp! We understand that a quality camp experience is much more than ripping and running and going home tired – it's a chance to learn life lessons, make new friends, and discover new things about yourself. Summer at the Y is also a clever disguise for combating summer learning loss! Y campers engage in enriching and challenging activities that keep their minds sharp so they don't lose academic ground over the summer months and are ready to learn when the school year starts again.

Summer is
a Gift to be
Shared

Last year, due to an overwhelming response from our Y community, we raised \$241,259 in support of our 2013 Send a Kid to Camp campaign. These funds allowed us to provide financial assistance to 663 children who otherwise couldn't afford a Y camp experience. **EVERY YEAR THE NEED GROWS!** Once again, **we ask that while enrolling your own child(ren), you also consider helping another child by donating to the Y's 2014 Send a Kid to Camp campaign.** Your gift will help ensure that children across Central Maryland are engaged in activities that sharpen their minds, challenge their bodies, lift their spirits, and ultimately support their continued success in school and in life. To donate or learn more, visit **ymaryland.org**.

Thank you!

A JOURNEY TO REMEMBER

My Daily Trek!

7:00am – Dad signed me in at the parent table and my favorite counselor was there bright and early with me!

7:00-8:00am – I made friendship bracelets with my counselor and we talked about our favorite weeks of camp so far.

8:00-9:00am – My friend from school arrived and we played a game of kickball with some other campers!

9:00-9:30am – Our counselors rounded us up for Opening Rally. We started with Yoga, then the Camp Director made announcements, then we sang, "Boom Chicka Boom"!

9:30-10:00am – We found a shady spot under a tree and ate a morning snack...my mom packed my cooler full of fresh fruit!

10:00-11:00am – We grabbed our water bottles and went on a hike. We talked about how we can be good friends to nature and our counselor pointed out some interesting plants and animals... we even saw a deer!

11:00-12:00 – This week we are traveling to Japan and China...I am so excited to make paper lanterns in Creation Station today!

12:00-1:00pm – I ate a delicious sandwich for lunch and my frozen juice box was like a slushy!

1:00-2:00pm – Our Fit N Fun instructor is here today! We talked about nutrition and what snacks are best! Then we all had a blast running through an obstacle course!

2:00-4:00pm – After playing the water game Drip, Drip Drop, we went to science and talked about tsunamis. We did an experiment where we made actual waves!

4:00-4:30pm – We made our way to Closing Rally where we sang "The Y Song". My group won the Spirit Stick for the week and my best friend won Camper of the Day!

4:30-6:00pm – I chose to sit with friends and work on our Haiku poems that we're sharing at Opening Rally tomorrow. I can't wait!

Each week, campers enjoy activities designed around fun themes filled with new discoveries!

Most Y camps are ACA accredited, which means we run our camps according to the policies, procedures, and practices that have been accepted as the best in the industry.

We voluntarily go through rigorous inspections by outside professionals to ensure we continue to exceed

state licensing regulations in health, safety, cleanliness, food

service, programming, staff qualifications and

training, emergency management plans, and more – up to 300 standards in all!

Y SUMMER SPORTS AND SWIM CLINICS

At the Y, we understand that before children can be great athletes, they need to be great at the fundamentals. That's where we fit in – shaping tomorrow's athletes today.

WE BUILD SKILLS. WE BUILD CHARACTER. WE HAVE FUN!

In Y summer clinics, Y staff help children recognize their talents and the importance of being active. Staff also demonstrate and reinforce the Y's core values of caring, honesty, respect, and responsibility.

Players are grouped by age and ability. Clinics focus on coordination, teamwork and sportsmanship. Ultimately, our goal is to help prepare your child for the next level of sports and teach them that strong character is just as important as a strong game!

SUMMER SPORTS CLINICS
