

My Daily Trek!

7:00am – Dad signed me in at the parent table and my favorite counselor was there bright and early with me!

7:00-8:00am – I made friendship bracelets with my counselor and we talked about our favorite weeks of camp so far.

8:00-9:00am – My friend from school arrived and we played a game of kickball with some other campers!

9:00-9:30am – Our counselors rounded us up for Opening Rally. We started with Yoga, then the Camp Director made announcements, then we sang, "Boom Chicka Boom!"

9:30-10:00am – We found a shady spot under a tree and ate a morning snack...my mom packed my cooler full of fresh fruit!

10:00-11:00am – We grabbed our water bottles and went on a hike. We talked about how we can be good friends to nature and our counselor pointed out some interesting plants and animals... we even saw a deer!

11:00-12:00 – This week we are traveling to Japan and China...I am so excited to make paper lanterns in Creation Station today!

12:00-1:00pm – I ate a delicious sandwich for lunch and my frozen juice box was like a slushy!

1:00-2:00pm – Our Fit N Fun instructor is here today! We talked about nutrition and what snacks are best! Then we all had a blast running through an obstacle course!

2:00-4:00pm – After playing the water game Drip, Drip Drop, we went to science and talked about tsunamis. We did an experiment where we made actual waves!

4:00-4:30pm – We made our way to Closing Rally where we sang "The Y Song". My group won the Spirit Stick for the week and my best friend won Camper of the Day!

4:30-6:00pm – I chose to sit with friends and work on our Haiku poems that we're sharing at Opening Rally tomorrow. I can't wait!
