MISSION STATEMENT

The Y of Central Maryland is a charitable organization dedicated to developing the full potential of every individual through programs that build a healthy spirit, mind and body for all.

CHARACTER DEVELOPMENT

No matter where or how you encounter the Y — whether you or your child come to exercise your brain or your brawn, workout or hangout, make a new intellectual connection or meet a new friend — whether you encounter us at a Family Center Y or at any of our Y Journeys for Youth Development programs, you will encounter a Y team and charitable mission that is values-based and focused on character development. Our long-standing core values of honesty, caring, respect, and responsibility run through all we do. They are fundamental to what we expect of ourselves, what our staff are trained to model and teach, and what we hope our members and participants will reflect as well.

COMMUNITY LEADERSHIP BOARDS

The Y is dedicated to facilitating deep community engagement to help build strong communities. One of the primary ways we accomplish this is through our Community Advisory Boards made up of volunteers from each community served. Community Advisory Board member involvement is fundamental to our ability to provide much needed financial aid and support for those in your own community who otherwise cannot afford Y services and programs. Community Advisory Board members plan various fundraising activities to support our Safe Place for Kids campaign and undertake a variety of volunteer activities which advance the Y mission. We invite your active participation. Those interested in serving on the Community Advisory Board for their community are encouraged to contact their Center Director.

GIVE EVERY CHILD A CHANCE CAMPAIGN

When kids are out of school and unsupervised during the summer or before or after school during the school year, they are at risk. The Y runs safe, well-organized out of school programs that help build confidence and character for life. We also raise funds to help support children whose families can otherwise not afford their participation. Throughout the year, you will be asked to consider contributing. Any amount helps and 100% of the funds raised go to direct service for the children. Thank you in advance for your consideration and support.

FINANCIAL ASSISTANCE

Fundamental to our mission is the idea and practice of inclusion for all, regardless of economic circumstance. That's why we work hard to raise the funds needed to provide financial assistance for those who can't otherwise afford our programs and services. Please give if you can. Ask for help if you need it. Financial assistance applications are available at ymaryland.org and at the Member Service Desk. For more information, please contact Member Services.

SUGGESTIONS AND COMMENTS

We are 100% dedicated to providing a superior membership experience for you and realize that starts with good listening. Please share your comments, ideas and concerns. Knowing them is the only way we can truly deliver the kind of experience you expect and deserve. Comment cards are available throughout the center for your use and we are always available to talk to as well. Please help us be the best we can be!

HOLIDAYS

Holiday closings vary on an annual basis. Please go online at ymaryland.org to view the latest holiday closing schedule.

INCLEMENT WEATHER

At the Y, service to members is priority. However, in the event of inclement weather where we cannot provide our services in a safe manner, class cancellations and closings may occur.

To check for inclement weather cancellations or center closings, call your family center Y. You can also tune into WBAL-TV 11 and WJZ -13, listen to WBAL radio in the morning, or go online at ymaryland.org. ***The Y does not provide make-ups, credits, or refunds for missed classes for any reason including inclement weather related cancellations.***
