

Preschool Welcome Letter

2014-2015 School Year

Welcome to the Y of Central Maryland. We are delighted that you have chosen to enroll your child in our program. **Our curriculum-based program is rated parent's number one choice in preschool programs.** Here are some helpful hints that should get your child off to a great start:

1. The following information must be completed and submitted to the Director **prior** to your child's first day:
 - Registration Form w/Registration Fee
 - Emergency Card
 - Enrollment/Liability Release
 - Allergy Emergency Care Plan
 - Swim Permission Slip (*if applicable*)
 - Payment for Two Weeks of Care
 - Registration Agreement
 - Financial Issues Statement

 - New Health Inventory Form w/Lead Addendum
2. Please contact the billing department at 443-322-8000 to ensure that you understand our tuition requirements and other financial issues **prior** to your child's first day.
3. Tuition payments are due every Friday. Payments can be made online, over the phone, via EFT (electronic funds transfer), check, or money order and should be made out to the Y. **A late charge of \$25 will be applied to any account not paid in full by the due date.**
4. On your child's first day, please bring the following items labeled with your child's name:
 - Quiet time bedding (*crib-sized sheet, travel-size pillow, small blanket – stored in a pillow case*)

When you pick your child up, please sign them out, collect their items from their cubby, and check their mailbox for information/projects to be sent home.
6. In each classroom you will find a parent board with information on our snack menu, curriculum, lesson plans, and daily routines.
7. Please do not bring toys from home into the center. We provide plenty of activities for your child to enjoy.

Thanks again for enrolling your child in our program. Please contact us if you have any questions or concerns.

Please review the following information to ensure that you understand your responsibilities in enrolling your child in the Y Preschool Program. This signed agreement will be placed in your child's file and a copy provided for your records upon request.

1. I agree to pay a non-refundable registration fee at the time of enrollment. I also agree to pay for the sum of two week's tuition in advance. I understand that in order to continue my child's enrollment, each year I must pay an annual non-refundable program and curriculum fee.____(initial)
2. I understand that tuition is due every Friday. I understand that care may be terminated if my account is past due. A late charge of \$25.00 will be applied to any account not paid in full by the due date. Tuition prices are subject to change. Only those with an active full family Y membership are eligible for the tuition member rates.____(initial)
3. I have received a copy of the Financial Issues Statement, which explains payment policies, registration fees, tuition fees, change in care, late fees, late pick-up fees, vacation credits, and financial assistance. I have also received a Holiday Schedule and understand that payment is due for Holiday closings, sick days, emergency closings, and other absences.____(initial)
4. I understand that all changes in scheduled care must be made in writing through the Center Office at least two weeks in advance. Verbal notifications of changes or withdrawals cannot be accepted. There is a \$10 processing fee for refunds and changes in care.____(initial)
5. I understand that my child must be escorted by an adult (18 years or older) to a Y staff member in the center. The adult must also sign the in/out roster to ensure that this safety regulation is enforced.____(initial)

Additionally, I will keep work and emergency contact and phone numbers up-to-date.____(initial)
7. If there are any custody issues, I will provide a court order indicating who is the custodial parent/guardian and the names of anyone in which the staff should NOT release the child. I understand that there is one account for each family. If the account is outstanding, regardless of whose responsibility it is to make payment, then care may be suspended or terminated. I understand that I must communicate with the other parent in regards to information on the care and education of my child and refrain from placing Y staff in the middle of any custody issues. Failure to do so could result in termination of care.____(initial)
8. I understand that if my child is having problems adjusting to the program, a conference will be arranged between the staff and myself.____(initial)
9. I understand that I may be asked to withdraw my child from the program if their behavior threatens their own safety and/or health, or that of other children and staff in the Center. I understand that my child must be symptom free (vomiting, fever, and diarrhea) for at least 24 hours before returning to the Center. Additionally, a doctor's release will be required in order for my child to return to the center after a contagious illness. I have reviewed the health policy as provided in the Y Parent Handbook, which explains the Maryland State Health Department's requirements on medication, periods of infection, attendance, and immunization.____(initial)
13. I understand that an alternate care plan must be made in advance for illness and emergency closings. I also understand that I am still required to pay should these situations arise.____(initial)

The Y is a non-profit 501 (c)3 organization. Our rates are reflective of our actual costs in providing comprehensive, quality-based care. Please support our efforts to keep costs down by understanding our financial issues and adhering to the policies and procedures for these services.

Tuition Fees

Registration must be done each year and an annual registration fee must be paid. Payment for tuition is due every Friday. Only those with an active full family Y membership are eligible for discounted preschool tuition rates. Membership discounted rates are not applicable for complimentary membership offers.

Payment Policies

Payment can be made by check, money order, or credit card. Please put your child's name on the check or money order. We offer the option of having your credit card number on file and automatically charging it for each tuition payment - EFT (Electronic Funds Transfer) payment method, or you may pay online. Make check or money order payable to the Y of Central Maryland. Mail your payment to the Billing Office, or make payment at the membership desk at your local Y Health and Wellness Center. A receipt will be provided only upon request.

Late Payment Policy

A late charge of \$25 will be applied to any account not paid in full by the due date. If payment is late, then parents will receive either a note or a phone call concerning late payments and a date for termination of services if payment is not received. To avoid disruption of service, payment must be made in full by the final termination date; and you must provide receipt of payment to the center director or opening staff before your child will be admitted into care. Personal checks will not be accepted on delinquent accounts or if a personal check has been refused for payment (NSF-non sufficient funds) by our financial institution within the last 12 months.

Bad Checks

Checks that are returned for non-payment will not be re-deposited. An additional charge of \$25.00 will be charged for any returned checks. We will notify you by phone or letter of a Non-Sufficient Funds occurrence. The \$25.00 fee will be added to your next payment. Multiple returned checks may result in the Y not being able to accept personal checks for payments.

Change in Tuition

Tuition fees are subject to change. Written notice will be given in advance regarding such a change. If your child needs to have any changes in their enrollment, request must be made in writing two weeks in advance. Verbal changes cannot be accepted. There is a \$10.00 processing fee for refund or change in care requests.

Credits

There is no reduction in fees if a child is absent from the program or if the site is forced to close due to circumstances beyond our control. A vacation credit of one week per year (September through August) may be used if your child is absent for five consecutive days (Monday-Friday) for a family vacation. This credit only applies to those children that have been enrolled in the program full-time for at least 6 months or more. Written notice must be given at least two weeks in advance to use this credit. Notice should be given directly to the preschool director for approval and delivery to the billing office.

Late Pick-Up Charge

Late fees begin at the close of business and are assessed as follows: \$5.00 for the first five minutes and \$5.00 for each 5-minute period thereafter or fraction thereof. Parents who are late will be presented with a Late Charge Slip, and asked to sign/verify the late balance being assessed. Parents are responsible for paying the accrued late charges by the close of the next business day. (Regulations require that two staff members must stay at the center until every child is picked up. Staff who work overtime are required to be paid time and a half salary.) Please remember that late parents must call the center to inform the staff of the delay. Ten minutes after the close of business, emergency contacts will be notified to arrange pick-up of the child. If we can not reach either you or your emergency contacts to pick up your child, then we will contact Child Protective Services. Parents with excessive, unexcused, late pick-ups will be given notice to find alternate care.

Financial Assistance

Financial Assistance may be available to qualifying families. Verification of income is required and applications are renewed and reviewed on a quarterly basis. Applications are available from the business office.

I have read and understand the above.

CREDIT CARD ELECTRONIC FUND TRANSFER AUTHORIZATION AND AGREEMENT

TO THE Y OF CENTRAL MARYLAND (herein referred to as the Y): I have given my authority to charge the above named credit/debit card for the activity payments indicated above. It is understood that the Y's transmission of the EFT to the card issuer as payment becomes due and shall constitute valid notice of such payment due on the above named activity. When the above named EFT is processed, such charge shall constitute my receipt for the payment. Should any EFT not be honored by the card issuer, it is understood that payment is to be made by me within three (3) days for the amount of said payment, PLUS a service fee of **\$25**. I understand that this authorization will remain in effect only until the dates noted above. If I choose to terminate the EFT authorization prior to paying my tuition in full, I understand I must initiate its termination by giving the Y 30 days written notice in advance of the date I wish the EFT to stop. Failure to give 30 days written termination notice will result in that month's charge being non-refundable, even in the event I am withdrawing my child from the Preschool/BASE program. I further understand that all credit/debit card information changes must be given to the Y with 30 days written notice in advance of the date I want the change to occur.

I understand that after two unpaid charges, the Y may immediately terminate this agreement and program enrollment until I have brought all payments up to date.

I acknowledge the terms of the transfer authorization and agreement as stated above:

The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: http://ideha.dhmh.maryland.gov/IMMUN/pdf/896_form.pdf
- **Evidence of Blood-Lead Testing for children living in designated at risk areas.** The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at: <http://apps.fcps.org/dept/health/MarylandDHMHBloodLeadTestingCertificateDHMH4620.pdf>

EXEMPTIONS

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

INSTRUCTIONS

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered during child care hours, you must have the physician complete a Medication Authorization Form (OCC 1216) for each medication. The Medication Authorization Form can be obtained at

http://www.marylandpublicschools.org/NR/rdonlyres/B0050A99-6B3C-4396-A996-CC9405971A42/36556/1216_MedAuth_073013.pdf

If you do not have access to a physician or nurse practitioner or if your child requires an individualized health care plan, contact your local Health Department.

CHILDREN WHO ARE REQUIRED TO RECEIVE LEAD TESTING

Under Maryland law, children who reside, or have ever resided, in any of the at-risk zip codes listed below must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age.

If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.

The child's health care provider should record the test dates on page 3 of this form and certify them by signing and stamping the signature section of the form. All forms should be kept on file at the facility with the child's health records.

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign ‘Record of Immunization’ section of this form. This form may not be altered, changed, or modified in any way.

Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella, measles, mumps, or rubella**.
2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the DHMH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

“A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:

- (1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine.”

Please refer to the “**Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools**” to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and DHMH COMAR 10.06.04.03 are available at www.dhmh.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the “**Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs**” guideline chart are available at www.dhmh.maryland.gov. This Brochure Provides Information About:

- The requirements that State-regulated family child care homes and child care centers must meet,
- Your rights and responsibilities as the parent of a child in regulated care, and
- How and where to file a complaint if you believe your child care provider has violated State child care licensing regulations.

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education (MSDE), Division of Early Childhood Development. Within the Division, child care licensing is the specific responsibility of the Office of Child Care (OCC), Licensing Branch.

All child care facilities must meet minimum health, safety, and program standards set by Maryland law. To remain licensed, facilities must maintain compliance with those standards. Every licensed facility is inspected by OCC at least once each year to evaluate the facility's compliance with child care regulations.

OCC's thirteen Regional Offices are responsible for licensing activities, including:

- Issuing child care licenses;
- Inspecting child care facilities;
- Investigating complaints against licensed child care facilities;
- Investigating reports of unlicensed (illegal) child care; and
- Taking enforcement action when necessary to achieve compliance with regulations.

There are two types of regulated child care facilities: family child care homes and child care centers.

Family Child Care Homes and Child Care Centers Must Meet the Following Requirements:

- Have the approval of OCC, the fire department and other local agencies, as required (i.e., zoning, health, and environment).
- Provide care only in the areas of the facility that have been approved for use.
- Have the license issued by OCC posted where it is easily and clearly visible to parents. The license shows:
 - the maximum number of children who may be present at the same time;
 - the age groups which may be served; and
 - the facility's approved hours of operation.
- At all times, each child must be supervised in a manner appropriate to the child's age, activities, and individual needs.
- All areas of the facility used for child care must be clean, well lit, and properly ventilated. Room temperatures should be comfortable.
- If food service is provided, food must be stored, prepared, and served in a safe, sanitary and healthful manner.
- The facility must offer a daily program of indoor and outdoor activities that are appropriate to the age, needs and capabilities of each child.
- An up-to-date emergency information card must be on file and maintained for each child.
- The facility must post an approved emergency evacuation plan and conduct evacuation drills at least monthly.
- Child discipline procedures must be appropriate to a child's age and maturity level and may not include the deliberate infliction of physical or emotional pain. **Corporal punishment of any kind is strictly prohibited.**

ADDITIONAL INFORMATION

The Maryland Child Care Credential

Maryland has a voluntary child care credentialing program that recognizes child care providers' education, experience and professional activities at six levels. Credentialed providers are authorized and encouraged to display the seal issued by the MSDE Office of Child Care.

Program Accreditation

Child care programs have the option of becoming state or nationally accredited. Accreditation means that the facility and staff have met program standards of quality.

Child Care and the Americans with Disabilities Act

The federal Americans with Disabilities Act (ADA) requires all child care programs to make reasonable efforts to accommodate children with disabilities. For more information about the ADA, please contact the OCC Regional Office in your area or one of the following organizations:

There are certain requirements that apply only to homes or centers.

Family Child Care Homes

- Up to 8 children may be in care at the same time if the home meets certain physical requirements. No more than 2 children under the age of two, including the caregiver's own, may be in care at the same time unless the home has been approved to serve additional children in this age group and an additional adult is present. Under no circumstance may care be provided at the same time to more than 4 children under the age of two.
- Each applicant for a family child care license must:
 - Have a criminal background check and child abuse/neglect clearance;
 - Submit a recent medical evaluation; and
 - Complete pre-service training requirements, including certification in first aid and CPR.
- Each adult resident of the home must also have a criminal background check and child abuse/neglect clearance.
- After becoming licensed, the caregiver must periodically complete additional training. Also, current certification in first aid and CPR must be maintained at all times.
- Each caregiver must have at least one substitute who is available to care for the children in the event of the caregiver's temporary absence from the home. Each substitute is subject to approval by OCC and must have a child abuse/neglect clearance. If paid by the caregiver, a substitute must also have a criminal background check. Before allowing a substitute to provide care, the caregiver must tell the substitute how to reach parents in the event of an emergency and familiarize the substitute with the home's child health and safety procedures.

Child Care Centers

The center director and staff members who have group supervision responsibilities must meet minimum education, experience, and training qualifications. They must also meet continued training requirements each year.

- The director and all paid center employees must complete a criminal background check and a child abuse/neglect clearance, and submit a medical evaluation.
- In each classroom, staff/child ratios and maximum group size requirements must be maintained at all times. The following table shows some basic age groupings and the applicable requirements:
- | Age Group | Ratio | Maximum Size |
|------------------|-------|--------------|
| 0 –18 months | 1:3 | 6 |
| 18 – 24 months | 1:3 | 9 |
| 2 years | 1:6 | 12 |
| 3 –4 years | 1:10 | 20 |
| 5 years or older | 1:15 | 30 |
- For every 20 children present, there must be at least one staff member who is currently certified in first aid and CPR.

Your Rights and Responsibilities as a Child Care Consumer

- You have the right to:
- Expect that your child's care meets the standards set by Maryland's child care licensing regulations (NOTE: the regulations are available online at: www.marylandpublicschools.org/MSDE/divisions/child_care/regulat);
 - Visit the facility without prior notification any time your child is there;
 - See the rooms and outside play area where care is provided during program hours;
 - Be notified if someone in the family child care home smokes. In child care centers, smoking is prohibited;
 - Receive advance notice when a substitute will be caring for your child in a family child care home for more than two hours at a time;
 - Give written permission before a caregiver may take your child swimming, wading, or on field trips;
 - Give written authorization before any medication may be administered to your child;
 - Be notified immediately of any serious injury or accident. If your child has a non-serious injury or accident, you must be notified on the same day;
 - File a complaint with OCC if you believe that the caregiver has violated child care regulations.

- Any complaint you make to OCC about the care your child is receiving will be promptly investigated by OCC;
- Review the public portion of the licensing file for the facility where your child is or has been enrolled, or where you are considering enrolling your child.
