Before & After School Enrichment

Dear Y Families,

Thank you for enrolling your child in the largest provider of licensed quality Before & After School Enrichment in Maryland. At the Y of Central Maryland, we've designed our programs to include all the things that parents feel are most important in BASE - lots of love, attention, fun, games, homework help, and engaging activities in clean, safe environments where kids can learn while they play, make new friends, and get the engagement they need to grow and thrive. As a values-based organization, the Y of Central Maryland emphasizes character development. Personal growth in mind, body and spirit is what we're all about, and all of our programs and activities are designed to help children grow along this path.

For initial registration, only the registration form (page 2) and \$60.00 registration fee are required at this time. Please contact our Customer Billing department to make your registration fee payment and finalize and secure your spot for next year. All families must complete the rest of the packet and return it via fax or email no later than August 15, 2014 for a school year start. Children's files must be complete for program admittance.

All parents should submit paperwork by FAX to 410-779-9427 or email to BASE@ymaryland.org

Before & After School Enrichment School Year 2014-2015 REGISTRATION AGREEMENT

Please review the information listed below to ensure that you understand your responsibilities and agreements in enrolling your child in the Y Before and After School Enrichment Program.

Demographic Information

The Y receives financial grants, gifts, and donations from public and private sources. Many of these sources require us to provide an overview of the customers and communities we serve such as age, grade, sex, and number of children by school or community, as well as race and household income. Specific and individual information about you or your family is never isolated and shared. This information is helpful, but optional. Please see the BASE Program Registration Form for details.

Tuition

Tuition is billed monthly and in advance of services received. Tuition is calculated by taking the yearly program fees that cover the days that school is in session and dividing that into 10 equal monthly payments beginning August 1, 2014 or at time of registration and ending May 1, 2015. Tuition prices are subject to change. Only those with an active full family Y membership are eligible for the Full Time Member Rate (complimentary memberships do not apply). _____(initial)

Monthly Tuition Payments

Payment is due on the 1st of each month. A \$25.00 late fee is applied after the 5th of the month for any account with an outstanding balance. If payment is not received by the 8th of the month, then the child will be unable to attend the program until the balance is paid in full. Payments not received by the 15th of the month will result in termination. We may then contact our waitlist for openings. Re-enrollment, should there be space, will require the balance to be paid in full and a new registration fee to be paid in full. Note: late fees are assessed based on date payment is received by customer billing office, not by postmark date. A payment schedule has been provided for your reference. (initial)

Payment Options

All payments must be received by mailing a check to the Customer Billing Office, or credit payment over the phone or online. Site and/or center directors are not allowed to collect monthly payments. The Y of Central Maryland accepts money order, American Express, Discover, MasterCard & Visa credit cards, and Electronic Fund Transfers (EFT). The Y will also gladly accept your personal check; however, there will be a \$25 charge for any check returned to us unpaid by your bank.____(initial)

Financial Assistance

The Y of Central Maryland accepts DSS, TCA, and other third party payment arrangements that may be able to assist you. We also have a Financial Scholarship program to assist families in need. Applications are available through the Customer Billing Office.____(initial)

Changes in Program Enrollment

All enrollment changes must be made in written form and sent to the Customer Billing Office, two (2) weeks prior to the change. Site/center directors cannot accept verbal notification of changes or withdrawals. Parents are responsible for contractual payments. There is a \$10 processing fee for refunds and changes in care. Information and Instructions for Parents/Guardians

REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered or approved child care or nursery school:

- A physical examination by a physician or certified nurse practitioner completed no more than twelve months prior
 to attending child care. A Physical Examination form designated by the Maryland State Department of Education
 and the Department of Health and Mental Hygiene shall be used to meet this requirement (See COMAR
 13A.15.03.02, 13A.16.03.02 and 13A.17.03.02).
- Evidence of immunizations. A Maryland Immunization Certification form for newly enrolling children may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: http://ideha.dhmh.maryland.gov/IMMUN/pdf/896 form.pdf
- Evidence of Blood-Lead Testing for children living in designated at risk areas. The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at: http://apps.fcps.org/dept/health/MarylandDHMHBloodLeadTestingCertificateDHMH4620.pdf

EXEMPTIONS

Exemptions from a physical examination, immunizations and Blood-Lead testing are permitted if the family has an objection based on their religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care provider or child care personnel who have a legitimate care responsibility for your child.

INSTRUCTIONS

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered during child care hours, you must have the physician complete a Medication Authorization Form (OCC 1216) for each medication. The Medication Authorization Form can be obtained at

http://www.marylandpublicschools.org/NR/rdonlyres/B0050A99-6B3C-4396-A996-CC9405971A42/30754/1216 MedAuth r120511.pdf

If you do not have access to a physician or nurse practitioner or if your child requires an individualized health care plan, contact your local Health Department.

CHILDREN WHO ARE REQUIRED TO RECEIVE LEAD TESTING

Under Maryland law, children who reside, or have ever resided, in any of the at-risk zip codes listed below must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age.

If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.

The child's health care provider should record the test dates on page 3 of this form and certify them by signing and stamping the signature section of the form. All forms should be kept on file at the facility with the child's health records.

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

- 1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella**, **measles**, **mumps**, **or rubella**.
- 2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
- 3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
- 4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
- 5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

This Brochure Provides Information About:

- The requirements that State-regulated family child care homes and child care centers must meet.
- · Your rights and responsibilities as the parent of a child in regulated care, and
- How and where to file a complaint if you believe your child care provider has violated State child care licensing regulations.

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education (MSDE), Division of Early Childhood Development. Within the Division, child care licensing is the specific responsibility of the Office of Child Care (OCC), Licensing Branch.

All child care facilities must meet minimum health, safety, and program standards set by Maryland law. To remain licensed, facilities must maintain compliance with those standards. Every licensed facility is inspected by OCC at least once each year to evaluate the facility's compliance with child care regulations.

OCC's thirteen Regional Offices are responsible for licensing activities, including:

- Issuing child care licenses:
- Inspecting child care facilities;
- · Investigating complaints against licensed child care facilities:
- Investigating reports of unlicensed (illegal) child care: and
- Taking enforcement action when necessary to achieve compliance with regulations.

There are two types of regulated child care facilities: family child care homes and child care centers.

Family Child Care Homes and Child Care Centers Must Meet the Following Requirements:

- Have the approval of OCC, the fire department and other local agencies, as required (i.e., zoning, health, and environment).
- ■Provide care only in the areas of the facility that have been approved for use.
- ■Have the license issued by OCC posted where it is easily and clearly visible to parents. The license shows:
- > the maximum number of children who may be present at the same time:
- > the age groups which may be served; and
- > the facility's approved hours of operation.
- At all times, each child must be supervised in a manner appropriate to the child's age, activities, and individual needs.
- All areas of the facility used for child care must be clean, well lit, and properly ventilated. Room temperatures should be comfortable.
- •If food service is provided, food must be stored, prepared, and served in a safe, sanitary and healthful manner.
- The facility must offer a daily program of indoor and outdoor activities that are appropriate to the age, needs and capabilities of each child.
- An up-to-date emergency information card must be on file and maintained for each child.
- The facility must post an approved emergency evacuation plan and conduct evacuation drills at least monthly.
- Child discipline procedures must be appropriate to a child's age and maturity level and may not include the deliberate infliction of physical or emotional pain. Corporal punishment of any kind is strictly prohibited.

Under no circumstance may care be provided at the same time to more than 4 children under the age of two.
- Each applicant for a family child care license must:
- Have a criminal background check and child abuse/neglect clearance;
- Submit a recent medical evaluation; and
- Complete pre-service training requirements, including certification in first aid and CPR.
- Each adult resident of the home must also have a criminal background check and child abuse/neglect clearance.
- After becoming licensed, the caregiver must periodically complete additional training. Also, current certification in first aid and CPR must be maintained at all times.
- Each caregiver must have at least one substitute who is available to care for the children in the event of the caregiver's temporary absence from the home. Each substitute is subject to approval by OCC and must have a child abuse/neglect clearance. If paid by the caregiver, a substitute must also have a criminal background check. Before allowing a substitute to provide care, the caregiver must tell the substitute how to reach parents in the event of an emergency and familiarize the substitute with the home's child health and safety procedures.

Child Care Centers

The center director and staff members who have group supervision responsibilities must meet minimum education, experience, and training qualifications. They must also meet continued training requirements each year.

The director and all paid center employees must complete a criminal background check and a child abuse/neglect clearance, and submit a medical evaluation.

• In each classroom, staff/child ratios and maximum group size requirements must be maintained at all times. The following table shows some basic age groupings and the applicable requirements:

Age Group	Ratio	Maximum Size
0 –18 months	1:3	6
18 - 24 months	1:3	9
2 years	1:6	12
3 –4 years	1:10	20
5 years or older	1:15	30

 For every 20 children present, there must be at least one staff member who is currently certified in first aid and CPR.

Your Rights and Responsibilities as a Child Care Consumer

You have the right to:

- Expect that your child's care meets the standards set by Maryland's child care licensing regulations (NOTE: the regulations are available online at: www.marylandpublicschools.org/MSDE/divisions/ child_care/regulat);
- Visit the facility without prior notification any time your child is there;
- See the rooms and outside play area where care is provided during program hours;
- Be notified if someone in the family child care home smokes. In child care centers, smoking is prohibited:
- Receive advance notice when a substitute will be caring for your child in a family child care home for more than two hours at a time;
- Give written permission before a caregiver may take your child swimming, wading, or on field trips;
- Give written authorization before any medication may be administered to your child;
- Be notified <u>immediately</u> of any serious injury or accident. If your child has a non-serious injury or accident, you must be notified on the same day;
- File a complaint with OCC if you believe that the caregiver has violated child care regulations.

Any complaint you make to OCC about the care your child is receiving will be promptly investigated by OCC;

 Review the public portion of the licensing file for the facility where your child is or has been enrolled, or where you are considering enrolling your child.

Before & After School Enrichment School Year 2014-2015 INCLEMENT WEATHER POLICY- Carroll County

Inclement Weather & Emergency Closing Policy 2014-2015

Emergency School Closing

If Carroll County Public Schools close early due to weather conditions, **The Y's Before and After School Enrichment programs WILL provide care for an additional hour after the announced school closing.** (For example, normally school closes at 3:05 p.m. and a 2 hour early dismissal is announced, children will leave school at 1:05 p.m. The Y's Before and After School Enrichment programs will offer care until 2:05 p.m. Please make every effort to pick up your child no later than the announced time. Your child's safety is our number one priority. Failure to pick up your child on time will incur late fees.)

Late School Opening

One (1) Hour Delay – The Y's Before and After School Enrichment Programs will be delayed 1 hour. **Two (2) Hours Delay –** The Y's Before and After School Enrichment programs will be delayed 2 hours. *Runnymede Elementary participants please see below details involving school delays*

Late School Opening

The Y will provide care correspondingly with the delay of the start of school. If there is a one (1) hour delay, the Y will open one (1) hour late....if schools open two (2) hours late, the Y will open two hours late. However; at **Runnymede Elementary** the Y programs will be opening at 8am for a (1) hour delay, then for a (2) hour delay the Y will be opening at 9 am. Students that are not normally enrolled in before care may attend if spacing allows, only available to students already enrolled in our Before and After School Enrichment programs; there is a \$15 charge. Full Time Before and After School participants will not be charged a delayed opening fee. NO CHILDREN WILL BE ACCEPTED PRIOR TO THE OPENING OF THE PROGRAM.

After School Activities Cancellation - The Y's Before and After School Enrichment programs operates separately from school-sponsored after school activities. We will strive to stay open until the scheduled closing time; however parents are encouraged to pick up their children as soon as possible.

Full-Day School Closing

Please watch local weather stations and news broadcasts about school closings. If the schools are closed; the Y's Before and After School Enrichment programs will NOT provide care.

Y of Central Maryland Facilities Closing

Y closing announcements will be made on TV stations 2, 11 and 13; and on radio stations WBAL 1090 AM and WMIX 106.5 FM. The Y of Central Maryland website will be updated during inclement weather events.

Alternate Plan & Emergency Cards

Each emergency/inclement weather event presents unique barriers that may prevent the Y from providing care therefore parents are encouraged to have an alternate plan for care locations and people to pick-up your child. Please make sure your child's emergency contacts cards are up-to-date, these cards will be used to contact parents during emergency closings.

These procedures have been established in conjunction with the Carroll County Board of Education.
